# Steps for folding seed packets

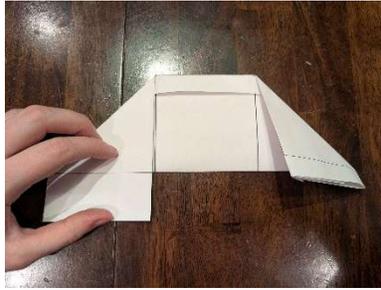

1) Print the packet

2) Flip the page on the short edge

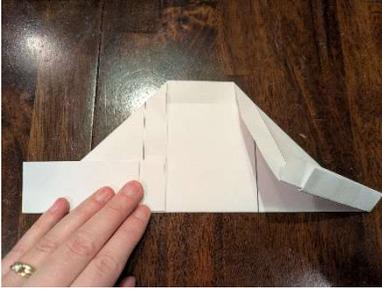

3) Fold top and bottom to first line

9) Fold bottom to tuck under top

8) Fold corners down, following center lines

7) Unfold to open top

6) Fold corners back down and bottom edges up

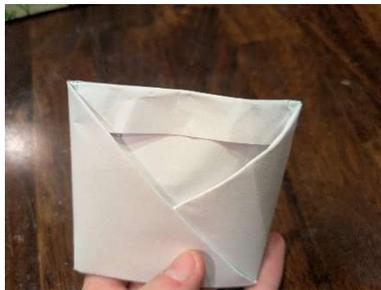

5) Fold left side in

4) Fold right side in and tuck into left

10) Add dry seeds

11) Fold top down and tuck corners

Tada!
